Fabric

You will want light to medium toned fabric. If you were part of the Cryptid SAL the colours and vibe are very similar as this is a "sister" to the Cryptids! The primary thread colour is black (obviously). I am stitching on 30 ct Old Salem by The Primitive Hare. The pattern is not full coverage so you will have bits of your fabric showing through the design.

Pattern Specs

Stitch Count: 197 wide x 242 high - Portrait Orientation ~ If you participated in the Cryptid SAL it would be the exact same size fabric you used.
