Universal Monster Stitch A Long

THANK YOU FOR PURCHASING THIS LITTLE HOUSE OF HORROR!

There are a total of **9 mystery rooms**. I recommend starting this project with the first room. This room is the DEAD center of the house. This way if you finish your room before the next release you can pick away at the mansion's skeleton, and not get burned out by all the DMC 310!

The patterns will be released every 2 weeks, schedule will be as follows:

April 26th - Mansion Skeleton	June 21st - Room 5
April 26th - Room 1	July 5th - Room 6
May 10th - Room 2	July 19th - Room 7
May 24th - Room 3	August 2nd - Room 8
June 7th - Room 4	August 16th - Room 9 ~ THE END

FABRIC

I recommend a neutral tone as there are dark and light stitches. Think stormy skies...Greys, Blues, Browns. I don't recommend using black fabric (I know...ME not recommending dark fabric!) because there is so much dark stitching.

PATTERN SPECS

Stitch Count: 167w x 202h

Design Size: 12" x 14.5" (14-ct) or 10.5" x 12.6" (16-ct)

Stitches used: Cross Stitch, Back Stitch

Please make sure to cut your fabric at least 3" larger than the design on each side (so use a fabric piece that is at least 18" x 20.5" for 14-ct or 16.5" x 18.6" for 16-ct).

FLOSS

- ♦ 2 strands of floss unless otherwise noted by pattern. You can get 1800-2000 stitches per skein on floss depending on your level of thread thriftiness.
- ♦ 29 DMC colors - 1 skein will do for all of the colors, except you will need 5 skeins of DMC 310
